

BBE PREFAB BARB TO 90° ELBOW

Terminate your Sch. 40 pipe run with a professionally made barb

The **BBE** is a ready to use 90° elbow terminated with a genuine DMIC hose barb. This adapter was developed in response to customer requests for an easy way to terminate Sch. 40 pipe runs with a hose barb. Also offered in **EBB** 45° version: See pg. 16.

- Standards based radius and hose barb saves time and money compared to in-house fabrication
- Repeatable results every time
- Available in Stainless Steel
- Generally less expensive than trying to make one in-house
